CONTRACT HIRE

Get all the benefits of your own machine without any upfront capital outlay.

REDUCE YOUR WEEKLY HIRE CHARGES TO A FIXED MONTHLY COST

All the benefits of owning your own machine without any upfront capital outlay

Our contract hire is designed to be simple and straightforward, and allows companies to comply fully with working at height regulations for a reduced fixed monthly cost.

With Contract Hire you get:

- **PEACE OF MIND** - Get a new machine and all servicing and maintenance, LOLER inspections and breakdowns for a fixed monthly cost.
- **FLEXIBILITY** - Contract terms of 3, 4 or 5 years with the option to purchase, return or extend at the end of the contract term.
- **TAX EFFICIENT** - Off balance sheet funding with no upfront capital outlay with some or all of the rental charge offset against taxable profits during the contract term.

EXAMPLE SCISSOR LIFT CONTRACT HIRE

3-5 year Contract Rentals from as little as

£77 ^{+VAT} per week

SKYJACK SJ3219
Electric Scissor Lift

Example 5 year (60 month) Contract Rental Agreement, Invoiced monthly by direct debit.

EXAMPLE BOOM LIFT CONTRACT HIRE

3-5 year Contract Rentals from as little as

£159 ^{+VAT} per week

GENIE Z30
Compact Electric Boom

Example 5 year (60 month) Contract Rental Agreement, Invoiced monthly by direct debit.

SERVICE INCLUDED

Our Contract Hire agreements also include a GTA Platinum Service plan as standard which will help to keep you working day after day.

Our Platinum Service Plan includes the following:

- Two statutory LOLER inspections per year.
- Two Services per year.
- Breakdown cover including all parts and labour.

2.

HIRE PURCHASE

Own a new powered access platform
without the upfront costs

GET PLATFORM INDEPENDANCE AND SPREAD THE COST OVER THE LIFE OF THE MACHINE

A GTA Hire Purchase agreement will allow you to purchase a brand new powered access platform without the typical capital expenditure for a fixed monthly cost.

With Hire Purchase you get:

- **EASY BUDGETING** - Get a new machine and spread the cost over the agreement term.
- **CONTROL** - You are the owner of the asset for tax purposes and can normally claim capital allowances.
- **TAX EFFICIENT** - You can offset your hire purchase interest and charges against pre-tax profits and reclaim the VAT on the capital cost.
- **OWNERSHIP** - At the end of the contract term ownership transfers to you.

After the last payment ownership transfers to you

Advance Rental

Monthly Rental
Paid over the chosen period

EXAMPLE BOOM LIFT HIRE PURCHASE

5 year GTA HP

£103*^{+VAT} per week
Initial Deposit of £1,340

HAULOTTE STAR 10
Electric Mast Boom

Hire Purchase Agreement, 5 year (3 + 57 months).
Invoiced monthly by direct debit.

*Includes a GTA Platinum Service Plan

PEACE OF MIND

You can also add a comprehensive GTA Service Plan to your agreement, ensuring your new investment continues working for you day after day.

The inclusion of a GTA Service Plan will also make sure you are covered under the Provision and Use of Work Equipment Regulations 1998 (PUWER).

There are 4 pre-packaged GTA Service plans for you to choose from; Platinum, Gold, Silver or Bronze.

3.

OUTRIGHT PURCHASE

DON'T FORGET THE OPERATOR TRAINING

We specialise in training and safety courses
for those working at height.

A DEDICATED TRAINING TEAM WHO ARE PASSIONATE ABOUT WORKPLACE HEALTH & SAFETY

With over 30 years of experience with access equipment, we are able to offer a huge range of approved IPAF, PASMA, and Workplace Health & Safety related training courses.

Our training courses can be undertaken at any of our 6 training centres, your offices, or on site (under certain conditions). We also offer evening and weekend courses. Our IPAF operator courses offer the option of E-learning, giving the option to complete the theory section of the course on-line, saving time spent at our training centres.

For course availability or to book visit www.gtaccess.co.uk or if you would prefer to speak to someone in person please call our training department on 01527 876798

6 TRAINING CENTRES

Courses are run daily at our 6 accredited training centres in:

- Bridgend
- Bromsgrove
- Gloucester
- Hereford
- Shrewsbury
- Stoke on Trent

We run a full range of approved IPAF courses including, Operator training, Harness Safety training, MEWP's for Managers and IPAF Demonstrator and Load/Unload.

We run a full range of approved PASMA courses including; Working at Height Essentials, Low Level Towers and Towers for Users.

We also offer a range of Workplace Health and Safety training courses including; Emergency First Aid at Work, Abrasive wheels and Ladders and Steps Safety.

As an Approved Training Organisation (ATO) you can benefit from CITB grant funded courses.

We also deliver Emergency First Aid at Work courses that qualify for up to 7 hours CPC

E-LEARNING

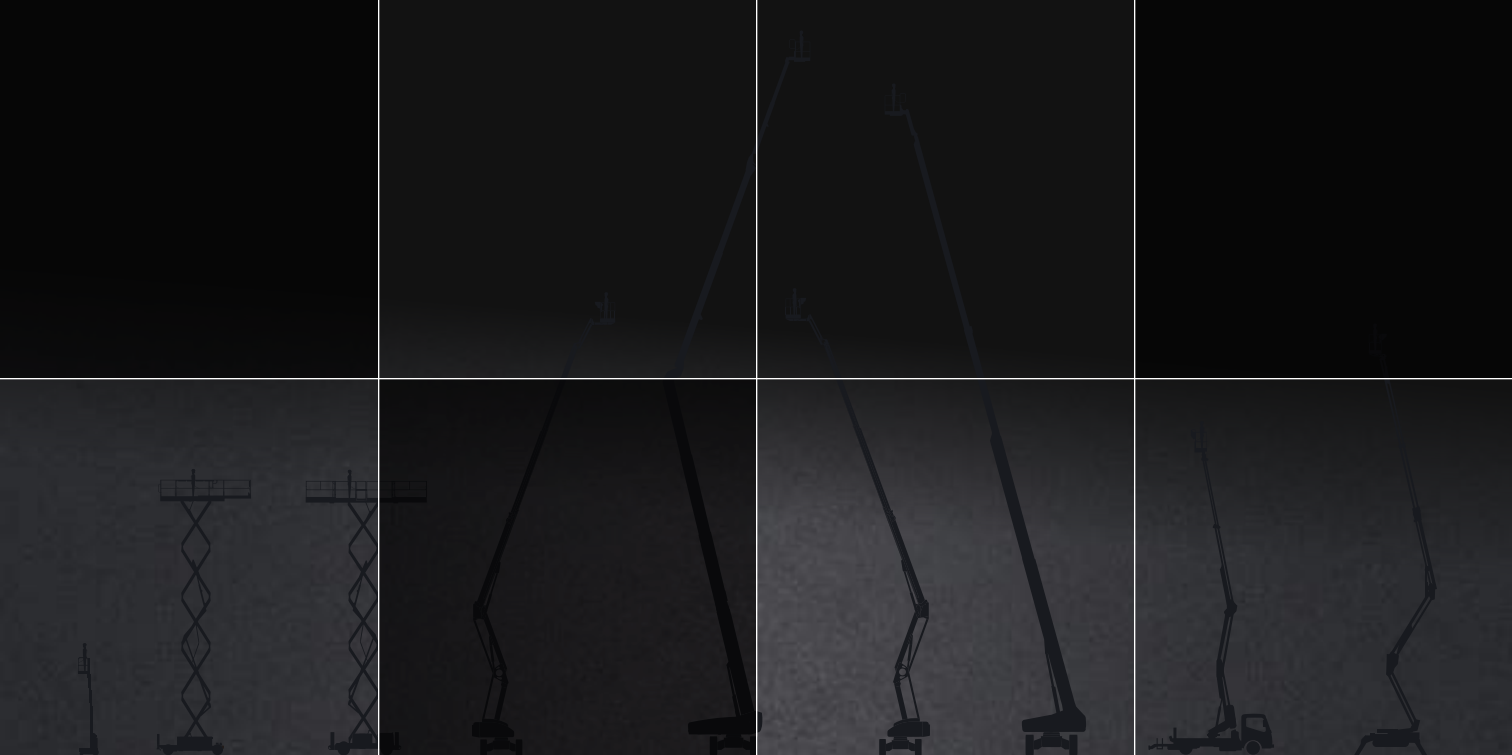

Available for the written part of an IPAF Operator course
