IPAF PAV
Requires IPAF category 3a, 1a or PAV

A Push-Around-Vertical with powered lift and fall. Provides a large working platform (1.52 m x 0.75 m) giving users more room to work and more room for tools and equipment. The Power Tower requires less operations to cover the same area for many applications. And at only 780mm wide will still pass comfortably through a standard single doorway.

A range of extra's for 'Hire or Purchase' designed to give you the GTAdvantage™
